**MANUFACTURER CERTIFICATION STATEMENT  
FOR QUALIFIED ENERGY PROPERTY**

Taxpayers claiming energy efficient home improvement credits must retain this Manufacturer's Certification Statement and the sales receipt for taxpayer records. Under the Inflation Reduction Act of 2022, Congress has extended individual tax credits for homeowners who make qualified improvements of higher-efficiency HVAC equipment to their primary residences. Tax credits are effective for all qualified energy property installed from January 1, 2023 through December 31, 2026.

**CERTIFICATION STATEMENT**

Pursuant to this Certification Statement, QHT Inc. certifies that each of the following products constitutes Qualified Energy Property and meets required standards to be considered eligible for an energy-efficient property tax credit as set forth by Section 25C of the Internal Revenue Code.
